Government continues to receive support from humanitarian partners and to date the partners have since committed USD69,739,275.90 against their target of USD324,862,434.04 in response to COVID 19 pandemic. Whilst the Government is taking the leading role in response to COVID19 response, priority areas of support by cooperating partners is as follows;

#### DEVELOPMENT PARTNERS SUPPORT TOWARDS THE COVID-19 RESPONSE

Table: 2

Development Partner	Humanitarian Response	Pledge / Disbursement
Chinese Foundation	Jack Ma and Alibaba are pledging 20 000 test kits, 100 000 masks and 1000 medical use protective suits	
United Kingdom	<p>United Kingdom's Department for International Development (DFID) donated coronavirus protective equipment to Wilkins Hospital worth about £100 000 (approx. US\$129 390).</p> <p>DFID will also be availing resources worth US\$43.6 million through the provision of medical supplies, infection prevention and control. The funds will be channelled through the World Health Organisation (WHO), World Food Programme (WFP), UNICEF and UNDP.</p> <p>The funds will be extended to support broadcast messaging, child support, psycho-social support for front-line workers, WASH facilities and humanitarian aid to help mitigate the COVID-19 crisis among the poorest and most vulnerable members of society across the country.</p>	<p><b>£1.7 million</b></p> <p><b>US\$43.6 million</b></p>
Chinese Government	The Chinese Government pledged to upgrade Zimbabwe's main isolation centre at Wilkins Hospital for suspected coronavirus patients in the capital Harare. The Chinese Government will also provide funding and equipment to upgrade Wilkins Hospital so that it can provide better conditions for suspected coronavirus patients.	

Development Partner	Humanitarian Response	Pledge / Disbursement
Global Fund	<p>The Global funding will be availing resources for Zimbabwe to improve its preparedness and strengthen local mechanisms against Coronavirus (COVID-19). This includes support for:</p> <ul style="list-style-type: none"> <li>• Capacity building;</li> <li>• Diagnostic equipment; and</li> <li>• Communications, materials and publications.</li> </ul>	US\$25 million
